

# Brewer's Yeast

Doug Banta, 2017

**INTRO:** C F G7 C  
4 2 2 4

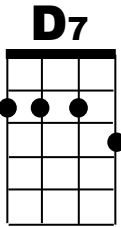

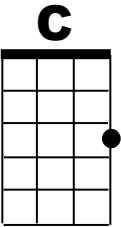

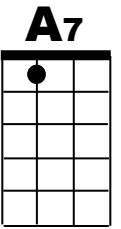

**CHORUS:** C A7 D7 G7  
Brewer's yeast. Brewer's yeast. It's a friend of mine.  
C A7 D7 G7  
It gives us whiskey, beer and wine.  
C A7 D7 G7  
Come on now and help me sing. It's easy to say,  
C A7 D7 G7  
"Sac--cah--ar--yo--my--ces cer--e--vis--i--ae."

C A7  
There's all these pets the world around,  
F G7  
The kitty cat, the dachshund hound.  
C F  
For--get these ani--mals among us.  
G7 C  
Why can't I just love a fungus?

## CHORUS:

C A7  
You might say, "It's just a yeast,  
F G7  
A microscopic ugly beast.  
C F  
It'll be with us 'til the end.  
G7 C  
It's not a dog that's man's best friend!"

## CHORUS:
