

# Call it Grace

Unspoken

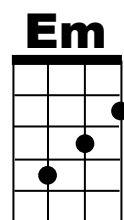

**G** It's the light that pierces through you to the **C** darkest hidden **G** place.  
**G** It knows your deepest secrets, but it never looks away.  
**G** It's the gentle hand that pulls you from the judgement of the crowd  
**C** When you stand before them guilty and you got no way out.

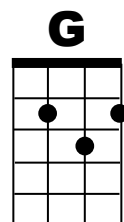

Chorus: **Em** **C** **G** Some may call it foolish and impossible  
**Em** **C** **G** But for every heart it rescues, it's a miracle.  
**Em** **C** It's nothing less than scandalous,  
**G** **D** This love that took our place.  
**C** **D** **G** Just call it what it is, call it grace, call it grace.

**G** It's the breath that's breathing new life into what we thought was dead.  
**G** It's the favor that takes orphans placing **Em** crowns upon their **D** heads.  
**G** It's the hope for our tomorrows, the rock on which we stand.  
**C** It's a strong and mighty fortress even Hell can't stand against.

Chorus:

Bridge: **Em** **D** Amazing, unshaking:  
**G** **D** This is grace, this is grace.  
**Em** **D** Unchanging, unfailing:  
**G** **C** This is grace, this is grace.

Last chorus:

**Em** **C** **G** Some may call it foolish and impossible,  
**Em** **C** **G** But for every heart it rescues, it's a miracle.  
**Em** **C** It's nothing less than scandalous  
**G** **D** This love that took our place.  
**C** **D** **C** **D** **G** Just call it what it is, just call it what it is, call it grace.
