

# Catch the Wind

Donovan, 1965. The first song he ever released.

INTRO: C F G7 C D DUDU  
6 3 3 4

C F  
In the chilly hours and minutes

C F  
Of un--certainty, I want to be  
C F/// G7/// C G7  
In the warm hold of your loving mind.

C F  
To feel you all a--round me  
C F  
And to take your hand a--long the sand  
C F/// G7/// C G7  
Ah, but I may as well try and catch the wind.

Interlude: Play 1st verse

C F  
When sundown pales the sky,  
C F  
I want to hide a while be--hind your smile  
C F/// G7/// C G7  
And everywhere I'd look, your eyes I'd find.

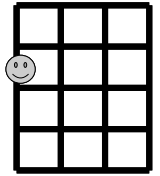

C F  
For me to love you now  
C F  
Would be the sweetest thing, t'would make me sing,  
C F/// G7/// C G7  
Ah, but I may as well try and catch the wind.

F Am F  
Diddy di dee---Dee diddy---Diddy diddy---  
D7 G7 G7  
Diddy diddy---Dee dee dee

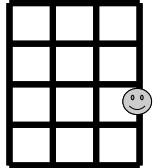

C F  
When rain has hung the leaves with tears  
C F  
I want you near to kill my fears,  
C F/// G7/// C G7  
To help me to leave all my blues behind.

C F  
For standing in your heart  
C F  
Is where I want to be and long to be.  
C F/// G7/// C G7  
Ah, but I may as well try and catch the wind.  
C F/// G7/// C  
Ah, but I may as well try and catch the wind.
