My mama always told me to find a good man,

CHORUS: F C C7
Lookin' for my one and only darlin'.
F C G7
Tryin' to find my one and only darlin'.

C Am
I had some fun, I had a laugh and a giggle.
F G7
I met a tall man that danced with a wiggle.
C Am
I searched each coast from Pacific to Atlantic.
F G7
Can't find a good man and I'm starting to panic!

CHORUS:

C Am
I'm getting wrinkles and I'm turning grey.
F G7
But I'm out there searching both night and day.
C Am
I'm looking for that man who'll love me like lightning.
F G7
My chances look bleak and it's getting frightening.

CHORUS:

C **Am**
It's rainy and dark and I'm feeling blue.
F **G7**
But a rainbow appeared when I saw you.
C **Am**
You love me like lightning, give me all that you can
F **G7**
My search is over and I found a good man.

F **C** **C7**
Now I have my one and only darlin'.
F **C** **G7**
Yes, I have my one and only darlin'.

C **Am**
Now I'm a gal who met a thousand men.
F **G7**
You can line them up and divide by ten.
C **Am**
I searched this earth from sea to sea.
F **G7**
Then I found you and you found me.
F **C** **C7**
Now you'll be my one and only, Darlin'
F **C** **C7**
Yes, you'll be my one and only Darlin'
(sung slowly....)
F **G7** **C**
You'll always be my one and only Dar--lin'.
