

Frosty the Snowman, key of G

as sung by Perry Como and written by Walter E. Rollins and Steve Nelson, 1950

G Frosty the Snowman was a jolly, happy soul,
C With a corncob pipe and a button nose
D7 And two eyes made out of coal.

C Frosty the Snowman is a fairy tale they say,
D7 He was made of snow but the children know
G7 How he came to life one day.

C There must have been some magic in that
Am Old silk hat they found,
D For when they placed it on his head,
Em He began to dance around.

G Frosty the Snowman was alive as he could be,
C And the children say he could dance and play
D7 Just the same as you and me.

G Frosty the Snowman knew the sun was hot that day,
C So he said, "Let's run, we'll have lots of fun
D Now before I melt away."
C Down in the village with a broomstick in his hand,
D7 Running here and there all around the square
G7 Saying, "Catch me if you can!"

C He lead them down the streets of town, right to a traffic cop,
D And he only paused one moment when
Em He heard them holler, "Stop!"

G For Frosty the Snowman had to hurry on his way,
C But he waved goodbye, saying, "Don't you cry,
D I'll be back a--gain some day!"
