

# On the Road Again

Willie Nelson, written in 1979, released in 1980

**Intro is the last line of verse one**   **F**   **G7**   **C**  
4   4   5

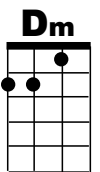

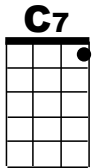

**tacit....C**

On the road again,  
Just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again.

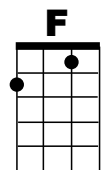

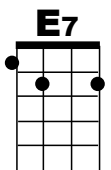

**tacit....C**

On the road again,  
Goin' places that I've never been  
Seein' things that I may never see again  
And I can't wait to get on the road again

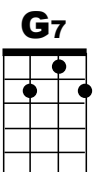

## **SORT OF LIKE A CHORUS WITH A SLIGHT CHANGE OF KEY:**

On the road again  
Like a band of Gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turnin' our way  
And our way...

**tacit.....C**

Is on the road again  
I just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again.

## **AGAIN SORT OF LIKE A CHORUS WITH A SLIGHT CHANGE OF KEY**

On the road again  
Like a band of Gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turnin' our way  
And our way...

**tacit.....C**

Is on the road again  
I just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again.  
And I can't wait to get on the road again.
