**INTRO:** 4 4 4 2  
 F C G7 C  
 C F C

**Chorus:** Serenade me on your ukulele

As I stare into your eyes under the moon.  
 I think it's only fair, you should have warned me  
 That the 'G' string is really out of tune.

**TACIT..... G7**

You sang...."Come along with me,  
 Lay our heads on banana leaves  
 And hold each other tight all through the night."

**TACIT..... G7**

You sang... "I'll be there for you,  
 Dry all your tears for you  
 And love you for the rest of our lives.

**Chorus:** Serenade me on your ukulele

As I stare into your eyes under the moon.  
 I think it's only fair, you should have warned me  
 That the 'C' string is really out of tune.

**TACIT..... G7**

You sang... "Put some clothes together  
 Won't be no stormy weather  
 To cloud up our island paradise."

**TACIT.....G7**

You sang... "Coconuts we'll sip up  
 As we reminence and think up  
 All the crazy things we could do."

As I stare into your eyes under the moon.  
 I think it's only fair, you should have warned me  
 That the 'A' string is really out of tune.  
 Serenade me on your ukulele  
 As I stare into your eyes under the moon.  
 I think it's only fair, you should have warned me
