

Silver Bells

Jay Livingston and Ray Evans, 1950

INTRO: G(3) C(3) G(3) C(1)

This is my guess since it seems to be 3/4 time. B-

Chorus: Silver bells, silver bells, it's Christmas time in the city.
 Ring-a-ling, (ring-a-ling), hear them ring (ting-a-ling)
 Soon it will be Christmas day.

City sidewalks, busy sidewalks dressed in holiday style
 In the air there's a feeling of Christmas.
 Children laughing, people passing, meeting smile after smile
 And on every street corner you hear:

Chorus: Silver bells, silver bells, it's Christmas time in the city.
 Ring-a-ling, (ring-a-ling), hear them ring (ting-a-ling)
 Soon it will be Christmas day.

Strings of street lights, even stoplights blink a bright red and green
 As the shoppers rush home with their treasures.
 Hear the snow crunch, see the kids bunch, this is Santa's big scene
 And above all this bustle you hear:

Chorus: Silver bells, silver bells, it's Christmas time in the city.
 Ring-a-ling, (ring-a-ling), hear them ring (ting-a-ling)
 Soon it will be Christmas day.

(Repeat last line of chorus to finish song)
