

# Sway with Me

Written by Pablo Beltrán Ruiz, Sung by Dean Martin in 1953

## INTRO: Dm (4)

**Dm (1)** **Edim A7**

When marimba rhythms start to play

**Edim A7 Dm**

Dance with me, make me sway

**Edim A7**

Like a lazy ocean hugs the shore

**Edim A7 Dm**

Hold me close, sway me more

**TACIT..... Edim A7**

Like a flower bending in the breeze

**Edim A7 Dm**

Bend with me, sway with ease

**Edim A7**

When we dance you have a way with me

**Edim A7 Dm**

Stay with me, sway with me

**Dm7**

**C7**

Bridge: Other dancers may be on the floor

**F**

Dear, but my eyes will see only you

**A7**

Only you have the magic technique

**Dm**

When we sway I go weak

**TACIT..... Edim A7**

I can hear the sound of violins

**Edim A7 Dm**

Long before it begins

**Edim A7**

Make me thrill as only you know how

**Edim A7 Dm**

Sway me smooth, sway me now

**Dm7**

**C7**

Bridge: Other dancers may be on the floor

**F**

Dear, but my eyes will see only you

**A7**

Only you have the magic technique

**Dm**

When we sway I go weak

**TACIT..... Edim A7**

I can hear the sound of violins

**Edim A7 Dm**

Long before it begins

**Edim A7**

Make me thrill as only you know how

**Edim A7 Dm**

Sway me smooth, sway me now

**A7 Dm**

Sway me smooth, sway me now.
