

# Xanadu and You

Doug Banta 2021

INTRO: C(6) Em(6) Dm(3) G7(3) C(1)

C Em  
I've traveled the world on land, sea, and air.  
Dm G7  
I've seen everything and gone everywhere.  
C Em  
I've circled the planet and went back again.  
Dm(3) G7(3) C(1)  
There's no place that I haven't been.

C Em  
My exploits are mystic; I really do mean,  
Dm G7  
I've been to places that you've never seen.  
C Em  
My destinations are so hard to find;  
Dm(3) G7(3) C(1)  
They're only in somebody's mind.

CHORUS: C E7  
And Xanadu is the place I love best;  
Am G7  
I remember it most above all the rest.  
C E7  
It was there that I met you.  
Am(3) G7(3) C(1)  
I love you and our Xanadu

C Em  
Valhalla was awesome in downtown Asgard.  
Dm G7  
The living was easy, but leaving was hard.  
C Em  
Atlantis was pleasant 'til it took a dive.  
Dm(3) G7(3) C(1)  
I was lucky to get out alive.

C Em  
Nirvana was pleasant as you might suppose.  
Dm G7  
Went there on vacation to lose all my woes.  
C Em  
Shangri-La was balmy; it never did rain.  
Dm(3) G7(3) C(1)  
But commuting was really a pain.

CHORUS:

OUTRO: C Dm(3) G7(3) C(1)  
Please stay with me here in our... Xana...du
